PROFESSIONAL SUMMARY

Results-driven **Senior Kitchen & Bath Designer** with 6+ years of hands-on experience delivering full-cycle kitchen and bathroom renovation projects for residential clients. Proficient in **20/20 Design** software for 3D space planning, rendering, and cabinetry layout. Proven ability to translate client visions into detailed design plans while managing budgets, vendor relationships, and project timelines from concept to installation. Strong sales background with demonstrated success in design consultation, product specification, and closing at Lowe's and HPM Building Supply. Adept at selecting and coordinating cabinetry, countertops, fixtures, hardware, and lighting to create cohesive, functional spaces. Skilled communicator and presenter with additional expertise in Adobe Creative Suite, digital marketing, and brand development — uniquely positioned to support design showroom environments requiring both creative vision and client-facing sales performance.

WORK EXPERIENCE

Senior Kitchen & Bath Designer

February 2024 – Present

HPM Building Supply

Lahaina, Hawaii

- Lead client consultations to assess design goals, functional needs, and budget parameters for full kitchen and bathroom renovation projects.
- Produce detailed floor plans, elevations, and photorealistic 3D renderings using **20/20 Design** software to guide client decision-making.
- Specify and source cabinetry, countertops, fixtures, hardware, and lighting; manage vendor and supplier relationships to maintain product availability and pricing accuracy.
- Coordinate with contractors, project managers, and installation crews to ensure design intent is executed on schedule and within scope.
- Maintain CRM records, track project pipeline, and follow up with clients through every phase of the project lifecycle.
- Stay current on industry trends, new product lines, and design innovations to deliver contemporary, market-competitive design solutions.

Kitchen Design Project Specialist

March 2018 – February 2024

Lowe's

- Consulted with residential customers to develop personalized kitchen design plans using 20/20 Design software, driving high-value project sales.
- Created scaled floor plans and 3D renderings to communicate design concepts and close design-to-install sales.
- Managed end-to-end customer relationships from initial consultation through product delivery and installation coordination.
- Collaborated with third-party installation teams to ensure quality and customer satisfaction on completed projects.
- Maintained up-to-date product knowledge across cabinetry, countertops, appliances, and plumbing fixtures to support informed client recommendations.

Senior Designer

- Directed design projects spanning concept development, layout planning, visual branding, and client presentations.
- Applied expertise in Adobe Creative Suite (Photoshop, Illustrator, InDesign, Premiere, After Effects) to produce high-quality design deliverables.
- Managed project timelines, client communications, and cross-functional team coordination.

Owner / Executive Chef

Carmel's

- Founded and operated a full-service restaurant, overseeing all aspects of daily operations, staffing, menu development, and financial management.
- Managed vendor relationships, inventory control, cost of goods, and payroll (accounting/bookkeeping).
- Maintained food safety and sanitation standards in compliance with health regulations (ServSafe certified).
