💰 Salary Target: \$70,000+

PROFESSIONAL SUMMARY

Results-driven **Senior Kitchen & Bath Designer** with 6+ years of experience delivering full-cycle residential renovation projects from concept through installation. Proficient in **20/20 Design** for 3D space planning, cabinetry layout, and client presentations. Proven track record in design sales at both Lowe's and HPM Building Supply — translating client visions into detailed plans while managing budgets, vendor relationships, and project timelines. Skilled at specifying cabinetry, countertops, fixtures, hardware, and lighting to create cohesive, functional spaces. Brings an added edge through expertise in **Adobe Creative Suite**, digital marketing, branding, and content development — uniquely suited to showroom environments that demand both design excellence and high-touch client sales performance.

WORK EXPERIENCE

Senior Kitchen & Bath Designer

February 2024 – Present

HPM Building Supply • Lahaina, Hawaii

- Lead client consultations to assess design goals, functional needs, and budget parameters for full kitchen and bathroom renovation projects.
- Produce detailed floor plans, elevations, and photorealistic 3D renderings using **20/20 Design** to guide client decision-making and close sales.
- Specify and source cabinetry, countertops, fixtures, hardware, and lighting; manage vendor and supplier relationships to maintain product availability and competitive pricing.
- Coordinate with contractors, project managers, and installation crews to ensure design intent is executed on schedule and within scope.
- Maintain CRM records, manage project pipeline, and follow up with clients through every phase of the project lifecycle.
- Stay current on industry trends, new product lines, and design innovations to deliver contemporary, market-competitive design solutions.

Kitchen Design Project Specialist

March 2018 – February 2024

Lowe's

- Consulted with residential customers to develop personalized kitchen design plans using 20/20 Design software, driving high-value project sales.

- Created scaled floor plans and photorealistic 3D renderings to communicate design concepts and close design-to-install sales packages.
- Managed end-to-end customer relationships from initial consultation through product delivery and installation coordination.
- Collaborated with third-party installation teams to ensure quality standards and customer satisfaction on completed projects.
- Maintained deep product knowledge across cabinetry, countertops, appliances, and plumbing fixtures to support informed client recommendations.

Senior Designer

- Directed design projects spanning concept development, layout planning, visual branding, and client presentations.
- Produced high-quality deliverables using Adobe Creative Suite — Photoshop, Illustrator, InDesign, Premiere, and After Effects.
- Managed project timelines, client communications, and cross-functional team coordination from brief to final delivery.
- Developed content strategies and brand identity systems for diverse clients across multiple industries.

Owner / Executive Chef

Carmel's

- Founded and operated a full-service restaurant, overseeing daily operations, staffing, menu development, and financial performance.
- Managed vendor relationships, inventory control, cost of goods, payroll, and bookkeeping.
- Maintained food safety and sanitation compliance (ServSafe certified); trained and led kitchen and front-of-house staff.
